The Secret To
 Earning Hot-Market
 Commissions No Matter How Cold
 The Market Actually Gets

REALTORS:
Who Else Wants A
30% Increase In Calls On Your Listings?
Even In A "COOLING" Market?

It's all but official - the market is cooling. Listings are staying on the market longer, and closing for less, than just a year ago. Which means that you're looking at smaller, and fewer

Unless, of course, you elect not to participate in the slowdown.

In fact, while other agents are scrambling to maintain their status quo, you could be **increasing your business**. You could:

- Get MORE Listings
- Get MORE Calls On Those Listings
- Sell MORE Listings FASTER
- Make MORE MONEY

But you have to hurry - because if one of your competitors discovers this "secret" before you, you'll have missed your chance.

The Secret To Earning Hot-Market Commissions
No Matter How Cold The Market Actually Gets

What happens when a potential buyer drives past one of your listings, and falls in love with it? Does she have to pull over and find a pen to write down your number?

Or worse, does she try to remember your name and look you up in the Yellow Pages from home – where she's just as likely to be distracted by another agent's ad?

Imagine instead that your number was instantly memorable to her. That it spoke to her (*and all the potential sellers who pass by*) and told her that you were the agent who could make her dreams come true.

That's exactly what will happen when you get your name in a number from **877-NAME-SOLD**.

Studies have repeatedly shown that an ad or listing with a so-called "vanity" toll-free number will receive 30% more calls than the identical ad or listing with a regular phone number.

Sometimes the numbers are even higher - with the "vanity" number doubling response.

Think you could close more properties with *double the calls on each listing*?

Maximize Your Branding With
A Phone Number *Even Your Competitors Will Remember*

For most Realtors, your name is your brand. And you want that brand to have a look, feel and identity that uniquely differentiates you. Vanity numbers do just that.

But a number from **877-NAME-SOLD** is more than just a standard vanity number. The ingenious pairing of YOUR NAME with the word "**SOLD**" offers you the opportunity to position yourself as THE agent to meet the needs of both buyers and sellers.

Because they both want only one thing: The buyer wants her dream home. The seller wants his property sold. But what they want from you is an agent who can close the deal.

When they see (for example) **1-877-MIKE-SOLD** on your listings it tells them:

- Yours is a name to remember

- You've sold - you've got a track record
- You're successful and prestigious
- You will succeed for them as well
- You are the agent who will sell this listing

A Proven Concept With An Unprecedented Guarantee

Personalized toll-free numbers increase business. Just ask FedEx (**1-800-GO FEDEX**) or UPS (**800 PICK UPS**). And don't forget **1-800-FLOWERS**.

In fact, vanity numbers are so good for business that many companies happily pay several hundred dollars a month to keep them - plus the actual usage charges.

But **877-NAME-SOLD** has a better deal for you. For a limited time (when they're gone, they're GONE) you can get your name and "**SOLD**" in your own number for the incredibly low price of only \$24.95 a month! (Our usage fees are a bargain, too at only 3.9 cents a minute!)

We're so sure that **877-NAME-SOLD** will work for you, we're offering an unprecedented 90-day money-back guarantee:

If, after 90 days your new number has not made a difference in your business, we will gladly refund all of your monthly payments. No questions asked.

You've Nothing To Lose - And Some Great Commissions To Gain

This is your chance to opt out of the market slowdown. Choose not to participate in the "cool-off". Fill out the form below, and we can have your new number ringing to your phone within the hour.

Of course, like all "vanity" numbers, **877-NAME-SOLD** travels with you, so if you ever move you'll have no worries about getting a new number to your clients. And area code changes won't mean buying all new stationery and business cards.

Potential clients will see that your name **equals a sold listing**.

Keep in mind that this is **an exclusive offer** - only one person can get each number for their particular area. More importantly, if one of your competitors gets their **877-NAME-SOLD** number, they'll be the original, and you'll look like a copycat.

So don't wait! **Order your 877-NAME-SOLD number today... and keep those hot-market commissions coming!**
