EVANGELISM... LIVE!

What do you mean, you don't remember my sin?

A young woman crosses the platform carrying a heavy burden. With a sigh, she drops it to the ground and begins to pray. She tells Jesus that the bag she carries is full of sins, and holds them up to Him one by one. They are proof, she says, of the fact that she is a failure. So she says she isn't going to try anymore. This is her last prayer.

Of course, Jesus doesn't remember any of those sins, and by the end of "My Last Prayer" the young woman has let go of them as well.

This is just one of the many Biblically based dramas performed by Acts of Worship. Anointed dramas that minister, teach, even convict by bringing alive truths from the Word of God.

Drama is a powerful tool in the hands of the Apostolic Church. When you invite Acts of Worship to minister to your congregation, you get an exciting, memorable service that not only draws in visitors (including many who would never come to a "regular" church service) but that communicates in a way that is easily understood. Especially in this entertainment saturated culture.

Everything we do, from song interpretations to spoken dramas, carries the goal of worship and evangelism. And every performance is soaked in prayer beforehand. We come ready not to entertain but to be used by the Holy Ghost to minister. Every performance is geared to end in an altar call.

We hope that you would prayerfully consider inviting Acts of Worship to minister to your congregation. We are available for a variety of events, including revivals, rallies, retreats, banquets, street evangelism events, or special services of any kind. We can perform anything from a single mime to an entire service of drama. If you prefer, Bro. Robert Poole (our assistant Director) is a licensed minister and can preach before/ during or after any of our performances.

"But be ye doers of the word, and not hearers only..." (James 1:22)
